

ScaleX Accelerator Programme 2026

****Only a few places left****

Our goal is simple: to help your business scale by guiding you to implement the 10 proven principles of our ScaleX Framework. Are you ready to work **ON** your business, not **IN** it?

What does your ScaleX Accelerator journey ahead look like?

Phase One: Inspire - Let us help you feel alive again! Discover your company's true potential in our first four workshops focused on: **Psyche, Purpose & Vision**, and **People**. We'll help you break free from self-limiting beliefs (*and we all have them!*), uncover the real problem you're solving, and craft a compelling future vision for your business. Along the way, you'll learn how to attract, align and retain 'the right' people, the ones who will support you in bringing that vision to life.

Phase Two: Orientate - Over the next 90 days, you'll take part in four additional workshops designed to help you gain clarity, strengthen team alignment, and build accountability. Together, with your team, we'll facilitate the creation of a clear **Plan** that outlines your key priorities and areas of focus critical to your Vision. You'll also begin reducing key-person dependency by identifying the right **Processes** and systems to do a lot of the heavy lifting whilst maintaining high **Performance**.

Phase Three: Accelerate - The final phase of the programme features four workshops dedicated to accelerating your business growth. You'll discover how to expand your influence and reach by clarifying your **Proposition**, defining and broadening your **Place** in the world, optimising **Partnerships**, and sustaining your progress through a **Positive Growth Culture**.

Our Offer and Promise:

We feel so confident about the impact we have that we will make you a promise! **The ScaleX Accelerator Programme investment is £39,500 plus VAT.**

Upon completion of Phase 1, providing you have fully engaged in the learning process within our timeframe, you will have clarity over your long term 10-year vision, a detailed 3-year Vivid Vision and a bespoke Roadmap outlining the practical steps to take that will make the biggest impact on your scaling journey.

If you feel that you have not achieved what we promise, **we will refund your investment for Phase 1 in full.**
